

BOARD OF HEALTH MINUTES, APRIL 24, 2008, 7:25 PM

Present: David Merry, Erik Lowe, Agent John Powers, Hadden Blair, and guest Kent Healy.

The meeting opened late, at 7:25, because of lack of a quorum. The Board began by hearing from Kent Healy about his two phase septic plan for the Town Hall renovation. Mr. Healy gave a comprehensive Review of his plot plan/design, and the Board asked questions. A motion by Mr. Lowe, seconded by Mr. Merry was voted, and approved both plans

A 7:20 scheduled discussion with Chuck Wiley and Kent Healy about the storm water run-off from Vineyard Gardens, 16-103, was postponed because of Mr. Wiley's absence.

Wells Approved: Marjorie Yours 39-2.1

DWAs Approved: Jack Grey 25-18.11, Prisløe/Merman 32-75

DWAs Held: Estate of Leonard Athearn 31-68 (at request of engineer), Dubin 1-33 (pending ConCom)

Title 5 Inspection Reports Filed: Gross & DeOliveira 29-41, Alvin Mentzel 31-3

Old/New Business: the new MDPH protocol for Arbovirus Surveillance was explained to the Board, Clarence Barnes 16-68 affordable housing was approved by the Planning Board, and the septic Repair to be done by Mr. Barnes is not yet complete. The Board will send a letter appointing John Powers per Bill Wilcox's request to join the group that will oversee the consultant's work On MV Wastewater Management assessment. The MAVEN system will now be used to track Reportable diseases. There was a brief discussion of what the Agent had told the Preservation trust About their plans for the old bike shop behind Alley's store.

Permits: The Board signed permits.

Correspondence:

In Emergency Response/Relief Activities, DEP, NACCHO, VLS 7-104, Lombardo Associates Inc., Co-Housing 10-200, Waste News, Well Earth, assorted flyers, etc.
