

PRESENT: Tim Barnett, David Merry and John Powers

WELLS APPROVED: Ralph Stuart 1-8, Maureen Healy 16-122(monitoring only), Kenneth Feinberg 3-13. The Potable well for Bagehot Backs LLC was approved with the stipulation that it be moved out of the right away and driveway.

DWA APPROVED: Glenn DeBlais 21-3.3, Katherine Sterling 10-194, Jerome Kenny 26-12.4, Ernest Medeiros 22-14

TITLE 5 INSPECTION REPORTS FILED: Glenn DeBlais 21-3.3, Stephen Berlucchi 17-69 and Judith Siebert 10-101.

BARN PERMIT APPROVED: Scott & Charolette Caskey 38-1.1

LANDFILL/REFUSE DISTRICT: The Board reviewed the monthly LDO numbers, discussed the minutes from the Island Waste Committee meeting and reviewed the quarterly inspection and gas monitoring reports. There was a short discussion of the recycling grant letter from the state regarding funding. The letter was forwarded to the District.

EMERNGENCY MANAGEMENT: John and Tim discussed their volunteer efforts on behalf of the Martha's Vineyard Medical Reserve Corp this past weekend at the Wampanoag Environmental Health Expo held at the High School.

OLD/NEW BUSINESS: The violations at Roosevelt/Silberstein 15-74 have been corrected with the exception that the tenant still has not removed several items from the basement containing mold. DiMartino 10-8 has done some of the clean-up ordered by the courts but nothing recently and there is a lot still on the property. Michael Goldsmith is filing papers with the court. Permit letters have been sent to Bathing Beach operators and the Board must decide weather or not to charge a fee as suggested in the letter from MDPH. The revised state laws require the Board to permit and test all public and semi public bathing beaches. Beach operators need to comply with signage and several new regulations. The DoN public input meeting will be held on May 6th at the school cafeteria.

PERMITS APPROVED: Martha's Vineyard Hostel, Camp Safe Haven

CORRESPONDENCE NOTED
