The meeting was called to order at 4:30 p.m.

**General business**

Bruce clarified that the Land Bank reimbursement at 75% for Rogers Path goes to the General Funds. With this correction to the minutes of July 13<sup>th</sup> and with no changes to the minutes of June 15<sup>th</sup>, a motion was made by Greg to approve both sets of minutes and a second from Jonathan. Both minutes were approved unanimously. 3-0.

Bruce gave us an income and an appropriation report. Thank you Bruce. We appreciate your updates and hard work.

Several topics were postponed to our next meeting, September 14, 2010, because we felt that we needed input from the entire committee. The meeting was adjourned at 5:25.

Respectfully Submitted,  
Sharon Estrella
