

WEST TISBURY HISTORIC DISTRICT COMMISSION

MEETING MINUTES

Date of Hearing: February 12, 2007

Attending: Ben Moore, Mark Mazer, Nancy Dole, Lanny McDowell, Anne Fisher

Absent: Sean Conley, Marcia Cini

Also Attending: Anna Edey

Meeting convened at 5:30 PM.

We met to work on a 4th draft of the application instructions and design guidelines. We also worked on the application form, and the certificate form. We will continue working on revisions.

Anna Edey came in with plans she has been working on for the Town Hall. The concept is entirely her own. She was interested in our opinion as to the appropriateness of the new building she is proposing, which would not be an addition to the existing building. We talked about the things we consider when looking at new construction and alterations in the District. She had no specific plans for the exterior, beyond that it would be traditional in appearance on all sides but the South, which she would screen from view.

Meeting adjourned.

Respectfully submitted by

Nancy Dole, Secretary
