

WEST TISBURY HISTORIC DISTRICT COMMISSION MEETING MINUTES

Date of Meeting: July 23, 2007

Attending: Mark Mazer, Lanny McDowell, Sean Conley, Ben Moore,

Absent: Anne Fisher

Also Attending: Faith Runner

Hearing convened at 5:30 PM.

Nancy Dole appeared as applicant, and explained her need to move her entrance because of the increased congestion at the Jenkinsons' gas station. The cars are blocking her entrance more often and it is difficult to drive in. From the Historic District perspective adding a driveway does not harm the district, while from a public safety perspective it is very needed.

Faith Runner spoke against the new driveway.

There was one letter in support of the new driveway.

The WTHDC voted unanimously to approve the application but thought it would be a better plan to use the existing Runner's Way if at all possible.

Yours, Sean Conley
