

**WEST TISBURY PARKS AND RECREATION COMMITTEE  
MINUTES MARCH, 5, 2008**

**PRESENT:** Rick Reinhardsen, Bruce Keep, Bob Holt, Doug Bardwell, Cheryl Lowe, and Peggy Stone

Minutes from previous meeting were approved as submitted.

All agreed the Family Skate went well. The spring show with David Coffin was set for Sat. March 29 at 1 pm. The committee will arrive at 12: 15 to set up.

Rick and Bruce met with the Finance Committee on Feb. 26, 2008. They did approve the budget with no additional raise for the committee. The committee was in agreement with that. The Fincom will also recommend our warrant article for the new tennis shed.

Bob said he saw Jesse doing work at the Mill Pond. He was cleaning up trees that had fallen in the storm. Doug said Tom Colligan is frustrated that so many people keep talking to him about the electricity at the Tennis shed. Committee felt we should be the ones communicating with him. Doug said 50 amps should be fine and it would support a vending machine. There is already a meter in place; we will pay the bill in July and August. Rick asked about putting a phone line in the trench—Doug didn't think that should be a problem.

The Committee felt the Flea Market people should go the Selectmen. Rick will go if they want a Park and Rec. representative.

Rick suggested letting Joe know he can use the rails at the fire station for any maintenance to the fence at Lambert's Cove. Jesse will pull the posts when needed.

Doug also mentioned the fence at the tennis courts need to be fixed. Peggy will make some calls.

Doug also asked about a policy for handling bizarre people at tennis or sticker sales. Bob said they should have radios to call for help. The guards do have radios—they should leave one with the sticker seller for emergency use. It was suggested denying the person a sticker if they become combative. Peggy will check with Jen if we can add something to the summer flyer for policy changes.

The Committee wants Joe to come to the next meeting.

The next meeting was set for Wed. April 2, 2008 at 7pm.

The meeting was adjourned at 7:50pm.

Respectfully submitted,

Peggy Stone  
Board Administrator
