

**WEST TISBURY PARKS AND RECREATION COMMITTEE
MINUTES NOVEMBER 3, 2010**

PRESENT: Bruce Keep, Doug Bardwell, Cheryl Lowe and Peggy Stone
Absent: Nicole Cabot and Hap Bernard

Minutes from previous meeting were approved as submitted.

The Committee felt the Annual Halloween Party was again quite successful. They estimate about 150 children and adults attended. Fred Fisher brought a truck and horses for the hayrides. He did a total of 11 rides which more than any other year. Cheryl asked if we could have teenage kids volunteer to set up and decorate to get community service hours. The committee agreed this would be fine. No other real changes. The 20 pizzas were just right including sending two to the cemetery for the "gool's"

Winter Recreation programs start after Thanksgiving. The Saturday Recreation program begins Dec. 4. Staff from last year is returning. Ernie Chaves will do the sports program and Heather Capece will do the art/theater program. Chess Club begins after Christmas break. Winter yoga begins Tues. Nov. 30. It is \$25 for the 8 week session.

Peggy introduced the Conservation Commission's request for snow fencing at the dune at LCB. She did a site visit with Steve McKenna from Coastal Management as well as Maria McFarland and Prudy Burt of the Con Comm. . . . They request we fill out the application for the project and come to Con Comm. Meeting. Bruce said we had done this years ago and it didn't work. The Committee asked Peggy to do a little research and speak with former committee members. Cheryl suggests we get info. before meeting with the Con. Comm... Peggy will submit the application and notify the committee with the date of Con. Comm. Meeting. Bruce said he had seen an article about lifeguards and common rules etc. He will try to find it to share with the committee.

The next meeting was set for Dec. 1, 2010, 6:30pm at the Howse House. The meeting was adjourned at 7:10pm.

Respectfully submitted,

Peggy Stone
Board Administrator
West Tisbury Parks and Recreation
