

**WEST TISBURY PARKS AND RECREATION COMMITTEE
MINUTES DECEMBER 1, 2010**

PRESENT: Doug Bardwell, Cheryl Lowe, Hap Bernard and Peggy Stone

Minutes from previous minutes were approved as submitted.

The committee discussed the Conservation Commission request for us to put snow fencing at Lambert's Cove. We must submit an application with the commission before any work can be done. It was discussed that this type of work was done several years ago and it didn't really do much. Doug suggested we try it and if it doesn't work then we know for sure. Hap suggested we take pictures and have something to show the commission. The Park and Rec. members will attend the Con. Comm. meeting on Tues. Dec. 14 at 5:30pm to discuss the application.

The committee finalized the budget for fiscal year 2012. Only significant changes were to maintenance of Town Grounds and tennis shed. Also, beach budget increased based on returning personnel and the expectation of snow fencing and walkway per request of the Conservation Commission.

Nicole Cabot sent a letter of resignation from the Committee. She felt it was too much of a time commitment. An ad will go in the paper for two weeks that our committee has an immediate opening for a new member.

Cheryl asked what is the status of the basketball court. White-Lynch has cleared and leveled but no other work has been done. Peggy will follow up with Terry at White Bros.

The next meeting was set for Wed. Jan. 5 at 6:30pm at the Howse House.

The meeting adjourned at 8:10pm

Respectfully Submitted,

Peggy Stone
Board Administrator
West Tisbury Parks and Recreation
