

**W. T. PLANNING BOARD MEETING, SEPTEMBER 8, 2008, 7:30 P.M.**

**PRESENT:** David Douglas, Ginny Jones, Susan Silva, Leah Smith

**ALSO PRESENT FOR ALL OR PART OF THE MEETING:** Simone DeSorcy

**MINUTES**

Minutes of the 8/25/08 meeting were approved as written.

**NEW BUSINESS**

**Regulating Wind Turbines:** Board members said that when meeting with Chilmark to discuss regulating wind turbines, health issues related to their vibration should be discussed. Ginny said the question of health issues should be raised with the energy committee.

**Community Preservation Committee:** Ginny reported on the CPC. She said the issue was raised of having another visioning session with CPC funds. Board members decided that this could be done when the renovation work is completed.

**W.T. School Yard Sale:** Some parents of W.T. school pupils would like to hold a large yard sale over Columbus Day weekend to raise money for a school trip. Board members said that unlike the Chilmark Flea Market held at the school over the summer, this could be allowed because it is to directly support an educational purpose and it is a one-time event.

The meeting was adjourned at 8:15 p.m.

Respectfully submitted,  
Simone DeSorcy, administrator
