MINUTES

Minutes of the September 13, 2010 meeting were approved as written.

NEW BUSINESS

Fielder, Site Plan Review, M 12 L 13: The Board reviewed the building permit application for this single-family residence over 3,000 sq. ft. David said it was proposed in a heavily wooded area, and was a big simple-form house. Jim said he didn't feel the need to make a site visit, and made a motion to approve the plans; all in favor.

Citizen Planner Training Collaborative: It was noted that the CPTC would be holding two training sessions on the island in the near future. Jim made a motion to pay from the Planning Board budget for any Board members that wanted to take the seminars; all in favor.

The meeting was adjourned at 6:30 p.m.

Respectfully submitted,
Simone DeSorcy, administrator
