

Approved 4/25/07
TOWN OF WEST TISBURY
SELECTMENS MEETING
Wednesday, April 11, 2007, 4:30 p.m.

Present: Selectmen John Early, Skipper Manter, Glenn Hearn, Jen Rand

Guests: Many

Minutes: *S. Manter motioned to approve the minutes of 3/28/07. G. Hearn seconded the motion. The vote on the motion was unanimous.*

Shellfish Committee Interviews: Kevin Carr said he had been a family permit holder for years and felt he would like to give back to the resource he has taken advantage of for years. Chris Stein said he would be happy to serve on the committee. He would like to see the Committee come back to orderly consistent work. John early asked what each saw as the future of the shellfish resource in Tisbury Great Pond and James Pond. Chris said he felt the seasons needed to be adjusted according to the ebb & flow of the health pond. Kevin said that change in the pond is constant, the influx of more homes equals more pollution, those changes should be managed. The Board took the appointments under advisement for two weeks.

John Early noted the gavel used by the Board had been given to him by his family and he would be taking that with him, but had a new gavel he would like to present to the Board in appreciation for all the years of work.
