

**Approved 1/30/08**  
**TOWN OF WEST TISBURY**  
**SELECTMENS MEETING**  
**Wednesday, January 9, 2008, 4:30 p.m.**

**Present:** Selectmen Glenn R. Hearn, Dianne Powers, Jen Rand

**Guests:** E. Mendenhall, R. Knabel, J. Shea, C. Riggs, Michelle Ciccone

**Minutes:** Under advisement until next week.

**WTPD Appointment:** *D. Powers motioned to appoint Bradley Cortez as a Special Police Officer for a three-year term to expire in April 2011. G. Hearn seconded the motion. The vote on the motion was unanimous in favor.*

**Town Hall Exterior Lighting:** Jen said someone had contacted her with a concern about how dark it is at town hall when attending a meeting at night. She said she had replaced the outside bulb with an energy efficient bulb, and maybe that was problematic, so she would switch that back to a regular bulb. That does not address the far side of the parking lot however. There was a discussion about motion sensitive lights. Jen will talk to Tom Culligan about what could be done in the short term.

**ACO Rent Increase:** Jen said Tisbury had proposed an increase in rent to \$1,500 annually. With the Board's approval she would adjust the ACO budget accordingly. The Board said that was fine.
