

NIGHT FISHING PASS

- Allows parking in the Lambert's Cove parking lot between the hours of 9pm and 7am.
- Available to Town of West Tisbury residents.
- Beach access for the purpose of fishing only

Please be considerate in your use of this privilege. Respect the property and rights of neighbors. Fires and loud noises are prohibited: please do not leave trash, fish carcasses, bait, fishing line or hooks behind when you leave.

A limited number of these permits will be issued. Applications are available at the Parks and Recreation shed at the West Tisbury School. The shed is open daily from 9am – 12pm as well as 4-7pm on Fri., Sat., and Sun. Please display the Fishing Pass in the front window of your vehicle when parking at night, and back into the parking spot so the Pass will be easily visible by the Police.

THE PASS MUST BE VISIBLE OR THE POLICE WILL ISSUE A TICKET.

We are confident that as sportsmen and women, you will do your best to insure the success of this program. It would be helpful if you would report any activity on the beach that is detrimental to its success. Thank you for your cooperation.

Happy fishing!!
