Mill Brook Watershed Management Committee

10/26/26 minutes, approved 11/16/26

Present:
David Bouck, Bill Wilcox, Tim Boland, Julie Pringle, Prudy Burt

Absent:
Kristen Geagan, Cindy Mitchell, Angela Luckey

The draft minutes of the 10/6/26 meeting were approved, all in favor (David-aye; Bill-aye; Tim-aye; Julie-aye; Prudy-aye).

The invoice from UMass Dartmouth lab for the remaining balance due ($3,702) for water quality analyses of Tiasquam River water sample was approved, all in favor (David-aye; Bill-aye; Tim-aye; Julie-aye; Prudy-aye).

The working group (Bill, David, Julie, Prudy) met last week to start organizing the Tiasquam River data.

Prudy reported that Chris Seidel, MVC cartographer had completed a map of the impoundments on the Tiasquam and calculated sized of each; David shared this on the screen.

Tim shared some thoughts on other possible grant opportunities, though the timelines don't appear to work well. After some discussion about getting the artistic renderings completed, there was consensus among members present that Prudy will reach out to Jonas and Neal at Horsley Witten to ask if there is ample opportunity for public input in their proposal to do these renderings. We will plan on proceeding with an application to the Edey Foundation in January.

Next meeting will be on November 16, 5:30 p.m. via zoom
